Schultz started with the power company as a line crew helper and has been promoted through var-ious classifications, including line crew foreman. He is now a Distribution Supervisor for the Glades area, being responsible for the maintenance of the many miles of company distribution lines in the

Glades.

Schultz gained recognition in 1945 when a national magazine, Electrical World, published the following account;

"The foreman (Earl Schultz)

"The foreman (Earl Schultz) and his line gang were being run ragged by fuses blowing at various times all over the 64-mile district. and for no apparent reason. On his arrival at the Prison Farm at Belle Glade to re-fuse the transformer for the fifth time in one day, he learned the cause.

jearned the cause.

"A prison trusty told him that birds were sitting on the arm of the fuses and pecking at the shiny metal in the middle, thereby suddenly meeting their fate and blowing the fuse."

As a result of his discovery, Schultz devised a procelain at-tachment which covered the shiny attraction for the birds. Thereafter, they could not cause other fuses to "blow".

Besides Schultz, two others in

the Glades district will receive pins, deMoya said. A five-year pin will be presented to Eulis Wright, porter, and a two-year pin will go to Ellis Tootle, winch truck op-

# CHEVROLET

# America's Largest and Finest Low-Priced Car!

# Yes, LARGEST...

and the facts speak for themselves

It's LONGEST in the low-price field, a full 197% inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-taming 58% inches between centers of the rear wheels. Longer, heavier, with wider tread . . . that's the measure of Chevrolet's rock-solid value . . . big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet . . . when Chevrolet is the lowest priced line in the low-price field.

# Yes, FINEST.

and here are the plain-spoken reasons

FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANS-MISSION, billion-mile-proved, combined with 105-h.p. valve-inhead engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Reading clerk Herman Edwards of Daytona Beach started to follow the old custom of reading bills in

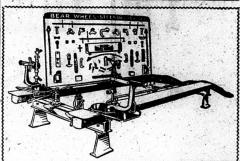

the manner of a tobacco auctioneer's chant—a gibberian that no one could understand. It is a practice long observed in the legislature but members of the present House felt that it was time to do something about it.

Representative Okell of Dade rose and demanded that the title be read "slowly and intelligibly" to that members would know was being introduced.

House Speaker Elliott agreed and instructed Edwards to read

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that bests those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan-an automatic

method of saving that all but puts you on that liner and says "ben voyage."

So simple, so painless, so sure—the Payroll Savings Fian sets aside a small-part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today. A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

CRUSADE POSTER - The family, America's greatest asset, is the theme for the 1951 Cancer Crusade poster. The American Cancer Society, which is seeking \$14,565,000 for its programs of research, education and service, points out that one of every two families in America eventually will experience a cancer death. But this trend can be changed, the ACS insists, if everyone helps to support cancer control by giving to the 1951 Cancer Crusade.

# FLORIDA NEARING THE HALF-MILLION TELEPHONE MARK

FLORIDA'S 470,000th TELEPHONE; Manager J. P. Evans has just presented it to Mrs. O. H. Thornburg following installation in, her home at 339 S. Palmetto Avenue, Daytona Beach. Little Miss Frances Thornburg appeared to think well of having a telephone, too.

Bell telephones serving Florida are approaching the half-million mark. The 470,000th was installed a few days ago in the home of Mr. and Mrs. O. H. Thornburg in Daytona Beach.

That telephone will mean a lot to the Thornburgs and it will mean a lot to their friends who want to keep in touch

That's always true when a new telephone goes in: there are other people whose telephones become more useful and valuable because another friend, relative or business associate has gotten one. Yes. it's the other fellow's telephone that makes yours valuable, and there are now twice as many Floridians with telephones as there were just five years ago.

It took 52 years for Florida to reach her first 100,000 telephones, 8 years to get her second, 4 years for the third and 2 for the fourth. That gives you an idea of Florida's growth and its demand for telephones.

To provide for the 215,735 telephones added during the past 5 years, it was necessary to construct 53 new buildings and additions, and to install vast quantities of central office equipment, cable and other plant facilities.

In spite of those 5 record years of expansion there's still a big telephone job to do in Florida. It took \$105,000,000 worth of expansion during the past five years, and it will take a financially sound Telephone Company to continue contributing its full share to the growth and progress of the State.
